

# **MEMORANDUM**

Date: 15 March 2018 Réf.: ADM/2018/01/ha

To : All staff, WFP Tanzania

From : Michael DUNFORD, Country Representative, WFT Tanzania

# **REVIEW OF OFFICE COMMITTEES: MARCH 2018**

### **Objective**

This memo revises the list of all the committees that exist in the Tanzania country office and explains the roles, responsibilities and terms of reference of each committee.

- ✓ These committees are established in accordance with WFP rules for the implementation of internal control, risk management process and many others. These committees primarily advise and make recommendations to the Country Director on the dossiers submitted to them.
- ✓ Members of the committees shall be appointed in their personal capacity and not as representatives of their units. In the case of a staff member leaving the CO, the new staff member occupying the position will perform the same roles in the committees pending the review of the committees.
- ✓ The review of the committees takes into account the following criteria:
  - Segregation of duties;
  - Balance between local and international staff; and
  - o Replacement of staff who have been reassigned or have left the office.
- ✓ List of committees member is on annex A of this memorandum and summarized terms of references on Annexe B.

#### **Instructions for Committees**

✓ In order to better organize the convening of the committees, the below guidelines were developed to be followed by the committees to ensure compliance with WFP rules and procedures.

#### Number and frequency of convening committee meetings

There are no fixed number of pre-established meetings. Committees should meet as required.
 For some committees, Regular meetings could be defined by the Chair: Weekly, monthly, Bi-

- monthly, quaterly... etc. But the number of meetings should not be limited to such regularities and the committee may always be convened when necessary.
- Meetings must be convened by the Chairperson of the Committee or the Secretary (on instructions from the Chairperson). The Chair must communicate the agenda to members in advance of the meeting

#### Quorum

- o A quorum is reached if at least three voting members are present;
- The alternate members shall be called upon due to the unavailability of a regular member;
- Technical staff may be invited by the chair to provide guidance and information to the committee but will not have voting rights.
- In case of unavailability or absence of both Chairperson and alternate Chairperson,
   the CD may appoint a chair on an ad hoc basis.

#### **Conflicts of interest**

- In the event of a potential conflict of interest, the primary responsibility rests with the staff member involved in this conflict of interest to declare it. The member will therefore be excused from the discussions (or replaced)
- The chair may invite a member who presents a conflict of interest in a meeting only as an adviser and not as a voter.

#### Responsibilities and obligations of members

Members shall act independently in the performance of their duties.

#### **Privacy**

 All matters discussed in committees are confidential. It is therefore very important that, whatever the nature of the subjects discussed, members do not disclose it;

ARY

#### Vote

The decisions of the committees are made on the basis of the majority of the voters;
 Should no majority be found, the vote of the Chairperson shall constitute the deciding vote;

# **Secretary**

 The secretary must be a member of the unit responsible for the execution of the committee's decisions;

#### **Minutes**

- The minutes of meetings must be prepared and kept by the secretary. The members of the committees must sign the minutes. The signed minutes must then be sent to the Country Director for approval.
- Supporting documents must also be prepared by the secretary on instructions from the chair.

#### **Review of Memo**

This memorandum will be reviewed every six months
